A. 90 DAYS
Subject to the Limitations and Exclusions below, Out-Front warrants all Out-Front–made wheelchair components (handrims, wheels, and locks) against defects in materials and workmanship for 90-days from the date of purchase, provided normal use.

B. LIMITATIONS AND EXCLUSIONS
1. This warranty excludes any labor or shipping charges incurred in replacement part installation or repair of the product.

2. This warranty does not cover the following, as determined by Out-Front in its sole discretion:
   a. Damage arising from normal wear and tear (e.g., scratches on a handrim) or from other circumstances beyond Out-Front’s control; or
   b. Damage caused by any modifications made to the product without Out-Front’s express written consent, including without limitation, modifications through the use of unauthorized parts or attachments.

3. This warranty is VOID if Out-Front, in its sole discretion, determines that:
   a. The product has been subjected to negligence, accident, storage, improper installation, misuse or abuse, including, but not limited to, use of the product in ways other than it’s intended use (such as using a wheel lock as a weight-bearing support during transfers); or
   b. The product has been damaged by improper repairs or repairs made without the express written consent of Out-Front.

4. This warranty applies only to the original purchaser/user of the product and is non-transferable.

5. Out-Front’s policy is to honor warranties and to perform services only on products purchased from authorized Out-Front Dealers in the USA or Out-Front International Distributors. If you purchase an Out-Front product from an unauthorized Out-Front Dealer or International Distributor, or if you reside outside the USA and you purchase a Out-Front product from anyone other than the authorized Out-Front International Distributor for your country of residence, your warranty will not be valid.

C. OUR RESPONSIBILITY
Out-Front’s sole obligation, and your exclusive remedy, under any warranty is to repair or replace, in our sole discretion, the covered components.

D. FOR WARRANTY SERVICE
If your product requires warranty service, please contact an authorized Out-Front Dealer in the USA or an authorized Out-Front International Distributor. In the event of a defect in material or workmanship, the Dealer or Distributor must obtain a return authorization (RA) number from Out-Front, and Out-Front issues RA numbers only to authorized Out-Front Dealers and Distributors. If you do not receive satisfactory service, please call Out-Front Customer Service at 480-833-1834 or email Out-Front at CustomerCare@Out-Front.com. Do not return products to our factory without our prior consent. Returns must be shipped with freight pre-paid. Out-Front recommends that you insure the product for its full replacement cost.
